

April 10, 2020

Hello PIC Families,

I want to give a brief update following the Governor's announcement that all schools will be closed across the state for the remainder of the school year.

I want families to know that this does not apply to PIC in any way.

This order pertains to all Kindergarten - 12th grade public, private and parochial schools. This order does NOT include child care programs. PIC falls under the category of "non-essential businesses" and no announcement has yet been made about child care programs.

We will communicate new information as we learn it.

Continue to stay safe and be well!

Deb Green
Executive Director
