

June 3, 2020

Hello PIC community,

I hope this finds you safe and well in the midst of such a sad and overwhelming time.

I am writing today to let you know that given the uncertainty now around Philadelphia's move to the yellow phase of reopening, we are going to hold off making any announcements about PIC's reopening until that decision is final.

Your continued patience is greatly appreciated.

Please stay safe and well.

Deb Green
Executive Director
