

The Parent-Infant Center

2020-2021 Tuition Assistance Application

Any family enrolling at The Parent-Infant Center is welcome to apply for scholarship assistance. Priority is given to families whose income is between 235-to-300 percent of the federal poverty level. Special consideration is also given to families needing temporary assistance because of a short-term family situation. Applications for assistance are not reviewed until a family has confirmed enrollment by paying the full tuition deposit and providing a current household tax return.
