

# The Parent-Infant Center

## 2021-2022 Tuition Assistance Application

Any family enrolling at The Parent-Infant Center is welcome to apply for scholarship assistance. Priority is given to families whose income is between 235-to-300 percent of the federal poverty level. Special consideration is also given to families needing temporary assistance because of a short-term family situation. Applications for assistance are not reviewed until a family has confirmed enrollment by paying the full tuition deposit and providing a current household tax return.

PIC is able to offer scholarship assistance to families because of energetic fundraising events and our Parent Participation Program (PPP). We count on *all* of our families to help with these events. Are you willing to commit your family to helping raise at least \$200 during the next year? \_\_\_\_

This can be done by volunteering to help organize events, contributing goods or services, or bringing friends to ArtStart

Is your current tuition account paid in full? \_\_\_\_

If your account is in arrears, your scholarship application will depend on making a written payment plan and demonstrating a commitment to regularly scheduled payments to bring your tuition and PPP accounts to zero balance by June 10.

You **MUST** attach a copy of your household's tax return for this year. **Spring requests for the next fiscal year are due by May 31. Families will be notified by June 15.** At other times of the year, scholarship requests should be submitted as soon as possible. Return all applications to the PIC Executive Director
