2022-2023 Tuition Assistance Application

(effective for July 1, 2022-June 30, 2023)

Any family enrolling at The Parent-Infant Center is welcome to apply for our Tuition Assistance support through this Tuition Assistance Application.

The following is important information about Tuition Assistance at PIC.

- Priority is given to families whose income is between 235-to-300 percent of the federal poverty level.
- Families receiving Child Care Works (CCW) subsidy are typically not eligible for additional tuition assistance through PIC.
- Special consideration is also given to families needing temporary assistance because of a short-term family (or other) situation.
- Typical tuition Assistance awards range between \$1200 and \$2400 per year (between \$100 and \$200 per month.)
- Applications for Tuition Assistance are not reviewed until a family has confirmed enrollment by paying the full tuition deposit.
- We need to receive the most current household tax return (or equivalent documentation) before we can consider a family's Tuition Assistance application.
