

We provide

- Opportunities for active, physical play every day where children can try all kinds of activities.
- Safe, varied, age-appropriate materials and spaces for children to play and learn, while guided by an experienced and caring teaching staff.
- An extensive club curriculum, where children select a different 8-week club for each day of the week. New club themes are introduced regularly and options may include: cooking, gardening, pottery, robotics, sculpture, sports, 3-D printing, crafts, “dungeon world,” yoga, music, sing-along, dance and performance, screenwriting, and more!

We support

- Children’s social growth by encouraging time with friends and providing tools to negotiate social situations and resolve conflicts.
- School learning by offering homework help, and by designing recreational activities that include math and reading and writing.

Our Spaces — The Aviary, at 4243

Spruce, is a beautiful converted “manse” with three floors of interactive rooms for our 2nd through 5th graders. The Stucco, across the field, has two large recently updated rooms, perfectly sized for kindergarten and first graders to explore their creativity. We also enjoy the adjacent playing field, two playgrounds, and two gyms.

A typical day at PIC

3 - 4:10 pm —Children arrive, sign-in, choose among the open invitations for play, and, optionally, eat a small snack. Homework time is available. Kindergarten and first grade eat a sit-down healthy snack starting at 4:00 pm.

4:10 - 4:30 pm —2nd-5th graders meet in “homerooms” to relax, bond with friends and teachers. Designated helpers serve and clean-up after the main healthy snack of the afternoon.

4:30 - 5:30 pm —Daily club activity.

5:30 - 6:00 pm —Free play or homework time.

FAQS

Who comes to PIC's ASC?

Children in kindergarten through fifth grade from area public, parochial and independent schools

How do the children get here?

Our vans will pick up children at Samuel Powel, Greenfield and specific local charter schools. One of our teachers escorts children from Penn Alexander School. Families may also arrange their own transportation from other schools.

What about school holidays?

The ASC provides care on school holidays and early dismissal days. Full-day care is provided from 8 am until 6 pm.

What if the schools close during the day?

We are often able to accommodate families on days when there are emergency school closings, depending on staffing levels.

What time do you close?

All children must be picked up by a designated adult by 6 pm.

Tuition

Tuition covers 40 weeks divided into 10 equal monthly payments (September-June). This fee includes 10 full-day school holidays and 5 half days (holiday care is prorated for children attending 3-4 days per week). Trips and snacks are included.

How to apply

Visit our website at parentinfantcenter.org to download a school-age application. Submit an application, along with a \$35 registration fee. You will be sent additional paperwork to complete, along with a request for a \$250 escrow deposit once a spot is confirmed for your child.

Financial Assistance

If you think you are eligible for subsidized care through the Child Care Information Service (CCIS), call 215-382-4762 to learn more.

If your income exceeds the subsidy eligibility, families may apply for financial assistance directly from PIC. Ask for a tuition assistance application.

More information

Call Enrollment Coordinator Grace Piaña at 215-222-5480, ext. 303 or send an email to gpiana@parentinfantcenter.org.

Parent Involvement at PIC

Active parent involvement is an important feature of all programs at PIC. We ask that parents be involved in the following ways:

- Invest 5 hours of volunteer time over one school year (3 hours for a single parent household).
- Participate in annual spring and fall fundraisers, along with other center-wide social events and workdays.
- Most importantly, **talk with us about what's happening in your child's life**. Good communication between parents and staff is key to your child's successful experience.
